

MEDICAID-PEACHCARE Banner Notification 6/23/2003: IMPORTANT UPDATE FOR PHARMACY PROVIDERS

Regarding Payment of Generic Dispensing Fee Incentive for April 2003:

- Prescriptions that paid a generic incentive fee appropriately at point-of-sale from 4/1/03-4/4/03 were not affected and appeared on your April 7, 2003 Medicaid Remittance Advice (RA).
- The generic incentive fees for the month of April 2003 (excluding those paid 4/1/03-4/4/03) were paid on your ESI Medicaid Remittance Advice as a lump-sum positive adjustment.
- In the original communication ESI faxed, it was communicated that Providers listed alphabetically as A-L would see payments on the Tuesday, June 17th RA and those providers listed as M-Z would see payments on the Tuesday, June 24th RA. We have now learned that all providers identified to receive the incentive payments should have received them on the June 17th RA.

Please share this information with appropriate staff. If you are the corporate office of a chain pharmacy, please provide this information to each of your stores located in Georgia. If you have additional questions or concerns regarding this notification, please contact Express Scripts Provider Relations at 1-877-PROV-REL.
